"MOO3 is a great game but IWARS is a community. A community lasts longer and is more satisfying. That's my preferred choice."

- Python Rhishisikki

"We need a new top-level Forum thread... IWars addiction, and what to do about it. I'm totally hooked! :)"

- Tojal

"This game is fabulous! It truly feels like a player versus player game rather than a player versus rules versus player game."

- Savaki
